

How to Read Your Invoice

If you have address or insurance changes, you can let us know by checking this box and filling out the back of this statement.

In an effort to keep our patient data safe and private, you cannot access information online without the access code seen here.

How do I read my new statement?

Prior to August 1, 2020, patients received one statement per visit to a Mon Health facility. To streamline this process and provide a more convenient billing experience, we have now combined statements into one, after your initial statement.
